The graphic features a large title "Halfbike" at the bottom left, followed by the text "**< 15 km challenge**". Below this, a quote is displayed: "**“ You can't buy happiness, but riding a bike gets you very close**". To the right of the text is a photograph of a man riding a black Halfbike (a three-wheeled bicycle) along a waterfront promenade. The background shows a city skyline under a cloudy sky. The Halfbike logo is visible in the bottom right corner of the image.

Halfbike
